- This presentation contains information on submitting an ePortfolio artifact using the direct link in the Content section of a D2L course shell.
- Note: Course syllabi will indicate whether or not the course requires an ePortfolio artifact submission.
- Also see instructions in syllabi regarding ePortfolio.
- Failure to submit a required ePortfolio artifact results in an Incomplete grade for the course.

In the Content section of the D2L course shell, click on ePortfolio: Whole Person Assessment

The screenshot displays the D2L course shell interface. At the top, there is a search bar with the text 'arch' and a 'Search' button. Below the search bar is a navigation bar with 'My Home' and a dropdown menu for 'GTHE 624 Christian A...'. To the right of the navigation bar are icons for email and a document with a red notification dot. The main content area is divided into two columns. PRFT 059 ePortfolio provides an electronic system for storing and assessing course artifacts. All students should enroll in PRFT 059 the first semester of enrollment.

- Students will receive a "pass" for PRFT 059 when there is evidence that the ePortfolio has been activated and artifacts have been successfully submitted.
- Students should activate their ePortfolios by using the link on the Whole Person Assessment (ePortfolio) page to submit a sample or "test" document (MS Word) to a designated staff member).
- The step by step instructions on the same page as the direct link should be read and followed completely to the end, to ensure successful submission of the sample artifact.
- A fee accompanies enrollment in PRFT 059 to activate the ePortfolio account.
- Students who already have an ORU ePortfolio account should consult the seminary registrar for enrollment without duplication of fees.

Click on the instructions below to set up your ePortfolio.
